

St. Joseph Alumni...

Searching for Alumni/Alumnae

Once a year, we send out a St. Joseph School Alumni mailing. This mailing is primarily for **non-parishioners**. The attached list is active alumni that have responded to mailing within the past couple of years.

If you know of relatives or friends who attended St. Joseph Grade School and would enjoy receiving the current positive status of St. Joseph School, consider the form below.

We are interested in those who wish to be active with support in remembrance of St. Joseph School - the school that helped form the man or woman they are today.
